Selected Professional Experience

Show Runner & Visual Artist, *High Light, Human Light* (PBS Austin Digital Media), 2025
Place-based visual storytelling project centered on listening and abstraction.

Show Runner & Visual Artist, *How to Happy: a Traveling Art Show* (ATX Channel 16), 2023–2024
Visual storytelling project exploring empathy, reflection, and positive coping practices.

Art Director, Meysing Matchup Mechanisms, 2022–Present
Led visual direction across animation, graphic design, and narrative presentation, translating complex ideas into clear, cohesive visual language.

Independent Filmmaker & Visual Artist, Jujubeegees Productions, 2015–2021
Created and produced short-form visual works, managing projects from concept through post-production with an emphasis on storytelling and visual coherence.
